

WHAT CAN I PUT IN MY RECYCLING BIN?

Boxes, packaging and printed paper materials, cardboard, plastics (except no. 6 and products without a symbol), glass and metals.

For more information recreer.recyc-quebec.gouv.qc.ca

Paper and cardboard

- Newsprint, glossy, copy (letters, circulars, flyers)
- Kraft paper (paper bags, grocery bags)
- Notebooks (books, magazines, journals, catalogues, directories)
- Envelopes (with or without windows)
- Corrugated, flat or multi-layered cardboard (rolls and boxes that are clean)
- TetraPak™ aseptic carton containers (e.g. Oasis Juice, etc.)
- Waxed cardboard (milk cartons or other dairy products, juice)
- Paperboard (egg cartons)

Remove all printed material from plastic bags!

Plastic

Empty containers or packaging (lightly rinsed)

All items identified with the following symbols:

- Stretchable films and bags* (packaging - e.g. toilet paper wrapping, grocery bags, shopping bags, dry cleaning covers, food safe bags - e.g. bread, rinsed milk bags, etc.)
- Containers, caps and lids (water, beverages, food products - e.g. large yogurt containers, housekeeping, beauty and health products)

***Put all empty bags in one bag.**

Metal

Empty containers or packaging (lightly rinsed)

- Containers, caps and lids (beverage cans**, canned goods, bottles)
- Trays, bakeware, and foil (aluminum or steel)

Download the mobile app to find out how each item should be sorted.

Glass

Empty containers (lightly rinsed)

- containers, jars and bottles** (regardless of shape or colour)

****Return refundable containers to retailers.**
